

Application for return of property

Seized under section 336 of the Resource Management Act 1991

Applicant details

I _____ of (address) _____

hereby apply for the return of property seized by Auckland Council Noise Control.

Seizure information

Detailed description of equipment seized (list brand name, model, serial numbers, colour, any distinguishing marks etc).	
Address from where equipment was seized.	
Date seized.	

Statement of intent to comply

I, _____ certify that I undertake to:

- Ensure that the return of the property does not lead to a resumption of noise beyond a reasonable level.
- Pay all reasonable costs incurred in the seizure and storage of the equipment.

I understand that, should further equipment be seized from the address of the previous seizure as a result of excessive noise, council may decline to return the equipment in accordance with Section 336(2) of the Resource Management Act 1991.

Signed: _____

Date: _____

Next steps

- Take this completed form to an Auckland Council service centre and pay the fee of \$ _____ (see reverse for payment options).
- Present the receipt to the interviewing officer who will confirm with the noise contractor, that the release of the equipment has been approved.
- Telephone _____ to make arrangements for the collection/delivery of the seized equipment.
- Provide the noise contractor a copy of this completed form together with the receipt from council, before the equipment will be released.
