Environment Court  
**AUCKLAND**

1. **HOUSING NEW ZEALAND CORPORATION** (“**the Corporation**”) gives notice under section 274 of the RMA that it wishes to be a party to these proceedings, being *South Epsom Planning Group Incorporated and Three Kings United Group Incorporated v Auckland Council* (ENV-AKL-2016-000224) (“**the Appeal**”).
2. The Appeal is in respect of the decision of Auckland Council (“**the Council**”) on a recommendation of the Panel on Proposed Plan Hearing Topics 080 and 081 - Rezoning and Precincts (“**the Decision**”), specifically the Decision to accept the Panel’s recommendation and approve the Three Kings Precinct.
3. The Corporation is a person who made primary and further submissions on the Proposed Plan about the subject matter of the proceedings.
4. The Corporation is also a person who has an interest in the proceedings that is greater than the interest the general public has for a number of reasons, including (without limitation):
  - (a) The Proposed Plan sets the planning framework for enabling and managing future development as well as achieving sustainable development of the Auckland Region’s natural and physical resources.
  - (b) The Corporation is a major landowner in the Region and manages a portfolio of approximately 27,500 dwellings in the Region, providing housing to around 95,000 occupants. Its landholdings include 26 lots adjacent to the Three Kings Precinct and approximately 13.8 hectares of land in the Three Kings location generally.
  - (c) The Corporation’s housing assets form a major part of the Region’s social infrastructure, particularly its affordable housing infrastructure.

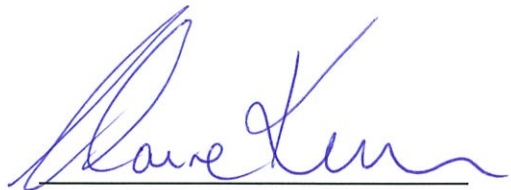

- (d) It is essential that the Corporation is able to meet its responsibility of providing efficient and effective affordable and social housing for the most vulnerable members of our society, so as to deliver the social and economic wellbeing of both these people and the wider community generally.
  - (e) The sustainable management of these housing assets will be strongly dependent on the direction, issues, objectives, policies, rules, zoning, overlays and other text contained in the Proposed Plan.
  - (f) The Corporation's ability to provide for the social and economic wellbeing of the Auckland region will be dependent on the reasonableness and appropriateness of the Proposed Plan provisions.
5. The Corporation is not a trade competitor for the purposes of section 308C or 308CA of the RMA.
6. The Corporation is interested in the Appeal in its entirety. In particular, but without limiting the generality of the above statement, the Corporation has a particular interest in the wider implications of promulgating planning provisions which constrain housing supply and affordability within the Auckland Region.
7. The Corporation opposes the relief sought in the Appeal to the extent that it seeks recognition of an implied right to appeal under section 156(3) of the LGATPA because in the Appellant's view the recommendations and attendant decision by the Respondent were out of scope.
8. In that regard, if the relief sought in the Appeal is granted, and the Decision is disallowed or modified as sought in the Appeal, the Decision:
- (a) Will be contrary to the sustainable management of natural and physical resources and otherwise inconsistent with Part 2 of the RMA;
  - (b) Will in those circumstances impact on the ability of people and communities to provide for their social, economic and cultural wellbeing by (but not limited to) reducing housing supply in the

Auckland region, thereby adversely affecting housing affordability;

- (c) Will not represent the efficient use and management of natural and physical resources; and
  - (d) Will adversely impact the Corporation's ability to provide new fit for purpose social housing in Three Kings. A successful appeal could affect the redevelopment of existing housing assets within Three Kings and particularly for housing assets directly adjoining the Plan Change area.
9. The Corporation agrees to participate in mediation or other alternative dispute resolution of the proceedings.
