Clause 16	I210 Queen St Valley Precinct Figure I210.6.1.2 The 19m measurement on Figure I210.6.1.2 should be moved in the diagram to show the correct application of the rule. The current diagram gives an unreasonable expectation as to where 19m minimum frontage would end up on the building and needs to be correctly located on the figure to match the scale of the drawing. The change will correct the position of the measurement in the diagram. It will assist planners to apply the rule clearly. This does not change the intended outcome of the plan or figure. Clause 16	Diagram I213.10.1: Westhaven - Tamaki Herenga Waka Precinct: Precinct Plan 1- Building Platforms There is a small triangular portion of land, between the Wynyard and Westhaven Precincts, that is part of the road (Westhaven Drive). This triangular area should be included in the Westhaven Precinct, but instead, the boundary line stops short of this area and includes it in the Wynyard Precinct. The two diagrams (I213.20.1 and I213.10.2 show this error). The triangular portion is included within the precinct on the Geomaps viewer. Adjust the precinct boundary line for Westhaven Precinct to include this small triangular area - (at Westhaven Drive). This will be consistent with the precinct boundary shown in the Geomaps Viewer. Clause 16	I214.10.1 Wynyard: Precinct plan 1 - Sub-precincts Precinct plan 1 is inconsistent with how it shows the coastal marine area compared to the other precinct plans within the Wynyard Precinct. The purpose of precinct plan 1 is to show the extent of the sub-precincts (A-G). The precinct plan 1 should be amended to make it clear what the full extent of the coastal marine area within the precinct is (as per GIS viewer) and that the wharves are part of this. The areas coloured for sub-precincts should be removed and instead labelled with A-G. The name of the coastal marine area 'Wynyard Precinct CMA' should be added to the map to match with other Wynyard precinct plans. All of these changes to precinct plan 1 will match with the other Wynyard precinct plans in I214 Wynyard Precinct. This does not change the intent or plan outcome. Amend Precinct plan 1 to make it clear what the full extent of the coastal marine area within the precinct is (as per GIS viewer) and that the wharves are part of this. Remove the colours within the sub-precincts and instead label the sub-precincts with A-G to align with the precinct plans.
