**PARTIAL REMOVAL OF A DESIGNATION UNDER
SECTION 182 OF THE RESOURCE MANAGEMENT
ACT 1991**

To: Craig Cairncross – Team Leader, Planning Central and South

From: Katrina David – Principal Planner

Date: 13 August 2021

Subject:

Partial removal of Designation 6706 State Highway 1 – Takanini to Drury and Designation 6714 State Highway 1 – Manukau City Centre to Takanini, in the Auckland Unitary Plan (Operative in Part)

Summary

Auckland Council has received a request from Waka Kotahi NZ Transport Agency (**Waka Kotahi**) under section 182 of the Resource Management Act 1991 (**RMA**), to remove in part two designations in the Auckland Unitary Plan (Operative in Part) (**AUP**). These designations are:

- Designation 6706 State Highway 1 – Takanini to Drury (remove from 16 properties)
- Designation 6714 State Highway 1 – Manukau City Centre to Takanini (remove from four properties)

This section 182 request is dated 29 July 2021. The section 182 request is included in **Attachment A**.

A section 182(1) request is required to uplift the existing designation in part from land which is no longer required for the purpose of the designation by NZTA.

Auckland Council, as the territorial authority, is required to amend its district plan, without using the process in Schedule 1, as soon as reasonably practicable after receiving a section 182 request unless it considers that the effect of the removal of part of the designation on the remaining designation is more than minor.

It is recommended that the partial removal be accepted.

Recommendation

1. That the section 182 request from Waka Kotahi for the partial removal of Designations 6706 and 6714, from 20 properties, in the Auckland Unitary Plan be **accepted** for the following reasons:
 - The extent of Designation 6706 that applies to the properties listed in Attachment A, is no longer required in respect of Waka Kotahi's work programme for State Highway 1 (Takanini to Drury); and

- The extent of Designation 6714 that applies to the properties listed in Attachment A, is no longer required in respect of Waka Kotahi’s work programme for State Highway 1 (Manukau City Centre to Takanini).
 - The effects of the partial removal of the designations will not be more than minor.
2. That Designations 6706 and 6714 be removed from the 20 properties as listed in Attachment A, and as shown in Attachment B, as soon as reasonably practicable, in the Designation Overlay in the Auckland Unitary Plan (Operative in Part) GIS Viewer.

2.0 BACKGROUND

2.1 Details of designation

Designation 6706 State Highway 1 applies to multiple properties from north of Takanini interchange to south of Quarry Road, Drury. The purpose of this designation is for motorway purposes Auckland – Hamilton. The lapse date is when “given effect to” (i.e. no lapse date) and there are no conditions listed for this designation. This designation is a rollover of Designation 201 from Auckland Council District Plan (Papakura Section) 1999.

Designation 6714 State Highway 1 applies to multiple properties from north of Highbrook Drive, Otara to south of Great South Road, Takanini. The purpose of this designation is for the Southern Motorway (State Highway 1). The lapse date is when “given effect to” (i.e. no lapse date). This designation is a rollover of Designation 186 from Auckland Council District Plan (Manukau Section) 2002.

² 54 Greenmeadows Avenue has been subdivided into two lots. The designation currently applies to 54A Greenmeadows Avenue, which is supported by the maps provided by NZTA

Condition 3 of Designation 6714 states:

As soon as practicable following completion of the Southern Corridor Improvements (the Project), the Requiring Authority shall give notice in accordance with 182 of the RMA to Manager Regional and Local Planning, Auckland Council, for the removal of those parts of the designation that are not required for the long term operation, maintenance and mitigation of effects of the Project.

2.2 Land affected by removal

Waka Kotahi has requested that Designation 6706 be removed in part or in full, from a total of 16 properties. Waka Kotahi has provided a list of these properties and a series of maps and shapefiles showing the extent of the designation to be removed from these properties (see Attachments A and B).

These 16 properties are also listed below:

- 2-12 Great South Road, Takanini
- 24 Great South Road, Takanini
- 30 Great South Road, Takanini
- 32 Great South Road, Takanini
- 28 Gosper Road, Conifer Grove
- 2A Waiatuarua Drive, Conifer Grove³
- Brylee Drive (road reserve)
- 199R Walter Strevens Drive, Conifer Grove
- ESPLND RES 22 Reynard Terrace, Conifer Grove⁴
- ESPLND RES 265 Harbourside Drive, Hingaia⁵
- 26R Prescara Point, Hingaia
- ESPLND RES 4 Westholm Way, Papakura⁶
- 66 Rushgreen Avenue, Papakura
- 68 Rushgreen Avenue, Papakura
- 70 Rushgreen Avenue, Papakura
- 72 Rushgreen Avenue, Papakura

These 16 properties are zoned one or more of the following zones: Residential – Mixed Housing Urban, Business – Light Industry, Open Space – Conservation, Open Space – Informal Recreation, Open Space – Sport and Active Recreation, Coastal – Coastal Transition zones and road reserve.

³ Waka Kotahi identifies this property as 3 Te Napi Drive, Conifer Grove on their list and maps. Council's GEOMAPS identifies site as 2A Waiatuarua Drive.

⁴ Waka Kotahi identifies this property as 22 Reynard Terrace, Conifer Grove on their list but address is shown correctly on their maps.

⁵ Waka Kotahi identifies this property as 265 Harbourside Drive, Hingaia on their list but address is shown correctly on their maps.

⁶ Waka Kotahi identifies this property as 4 Westholm Way, Papakura on their list but address is shown correctly on their maps.

Waka Kotahi has requested that Designation 6714 be removed in part or in full, from a total of four properties. Waka Kotahi has provided a list and series of maps and shape files of these properties (see Attachments A and B). These properties are also listed below:

- 102 Hill Road, Manurewa (Auckland Botanical Gardens)
- 52 Greenmeadows Avenue, Manurewa
- 54 Greenmeadows Avenue, Manurewa⁷
- 56 Greenmeadows Avenue, Manurewa

These properties are zoned either Open Space – Informal Recreation or Residential – Mixed Housing Suburban.

All other properties not identified by the section 182 request would remain within the extent of the designations.

2.3 Consultation

Waka Kotahi has advised that the owners of the properties where the designation is requested to be removed have been contacted and informed of the section 182 request. Auckland Council is one of the landowners and Waka Kotahi has sought confirmation who in Auckland Council should be contacted to inform them of this section 182 request.

2.4 Delegated authority to consider alterations to designations

The Team Leader – Planning Central and South (Plans and Places Tier 5) has delegated authority, in accordance with Schedule 2A of the Auckland Council Delegations: Chief Executive Officer (updated February 2017), to exercise the Council's functions, powers, duties and discretions under the Resource Management Act 1991 in relation to Section 182 to approve a removal of a designation.

The section 182 request to remove the designation can therefore be considered by the Team Leader – Central and South and can be accepted or declined.

2.5 Relevant Statutory Provisions

Section 182 of the RMA allows a requiring authority to remove a designation or part of a designation if it no longer considers it be necessary. This section also applies to a notice by a territorial authority, to withdraw its own designation or part of a designation within its own district.

Section 182(2) states that as soon as reasonably practicable the territorial authority shall, without using the process in Schedule 1, amend its district plan accordingly. If the territorial authority considers that the effect of the removal of part of a designation on the remaining designation is more than minor, it may, within 20 working days of receipt of a section 182 notice, decline to remove that part of the designation.

⁷ 54 Greenmeadows Avenue has been subdivided into two lots. The designation currently applies to 54A Greenmeadows Avenue, which is supported by the maps provided by NZTA.

It is considered that Waka Kotahi has provided sufficient justification for the partial removal of Designations 6706 and 6714 for the following reasons:

- The extent of the designations that apply to the properties identified in Attachment A and shown in Attachment B are no longer required in respect of Waka Kotahi's current and future requirements for State Highway 1; and
- The effects of the partial removal will not be more than minor.

3.0 RECOMMENDATION
