

Memo

Date 18 October 2022

To: Phill Reid, Auckland-wide Manager
 From: **Tony Reidy – Senior Policy Planner**

Subject: **Plan Modification: Clause 16(2) Amendment to the Planning Maps of the Auckland Unitary Plan (AUP) Operative in part (15 November 2016).**

Delegated authority to T4 manager through Schedule 2A of the Auckland Council Combined Chief Executives Delegation Register (Updated May 2017).

This plan modification requires decision-making pursuant to clause 16(2) of the First Schedule to the Resource Management Act 1991, as corrections are required to the Auckland Unitary Plan (Operative in Part), Proposed Plan Change 78.

A Clause 16(2) is required to maintain consistency between the proposed PC78 maps and the AUP(OIP) maps. Note, a Clause 20A has been previously prepared and signed off.

| Nature of change | <p>A zone boundary change is required between 1 Kings Road, Panmure and Part 3 Kings Road, Panmure to correct the AUP Planning Maps (Operative in Part), Proposed Plan Change 78.</p> <p>Discussion</p> <p>The zoning of Part 3 Kings Road, Panmure was subject to Plan Change 36.</p> <p>PC36 sought to change the zoning of Part 3 Kings Road from Open Space – Informal Recreation to Residential – Terrace Housing and Apartment Building zone.</p> <p>Eke Panuku had requested to rezoning as part of redevelopment in the Panmure area.</p> <p>However, there was an error in the request by Eke Panuku along the boundary between 1 and 3 Kings Road. The residential zoning was not extended far enough, and this has left a sliver of open space zone on the western edge of the carpark. The AUP planning map and the aerial photo below illustrates this. This “error” arose because the requested zone change did not follow the cadastral boundary (see Attachment 1).</p> <p>The plan change was approved by independent hearing commissioners and the</p> |

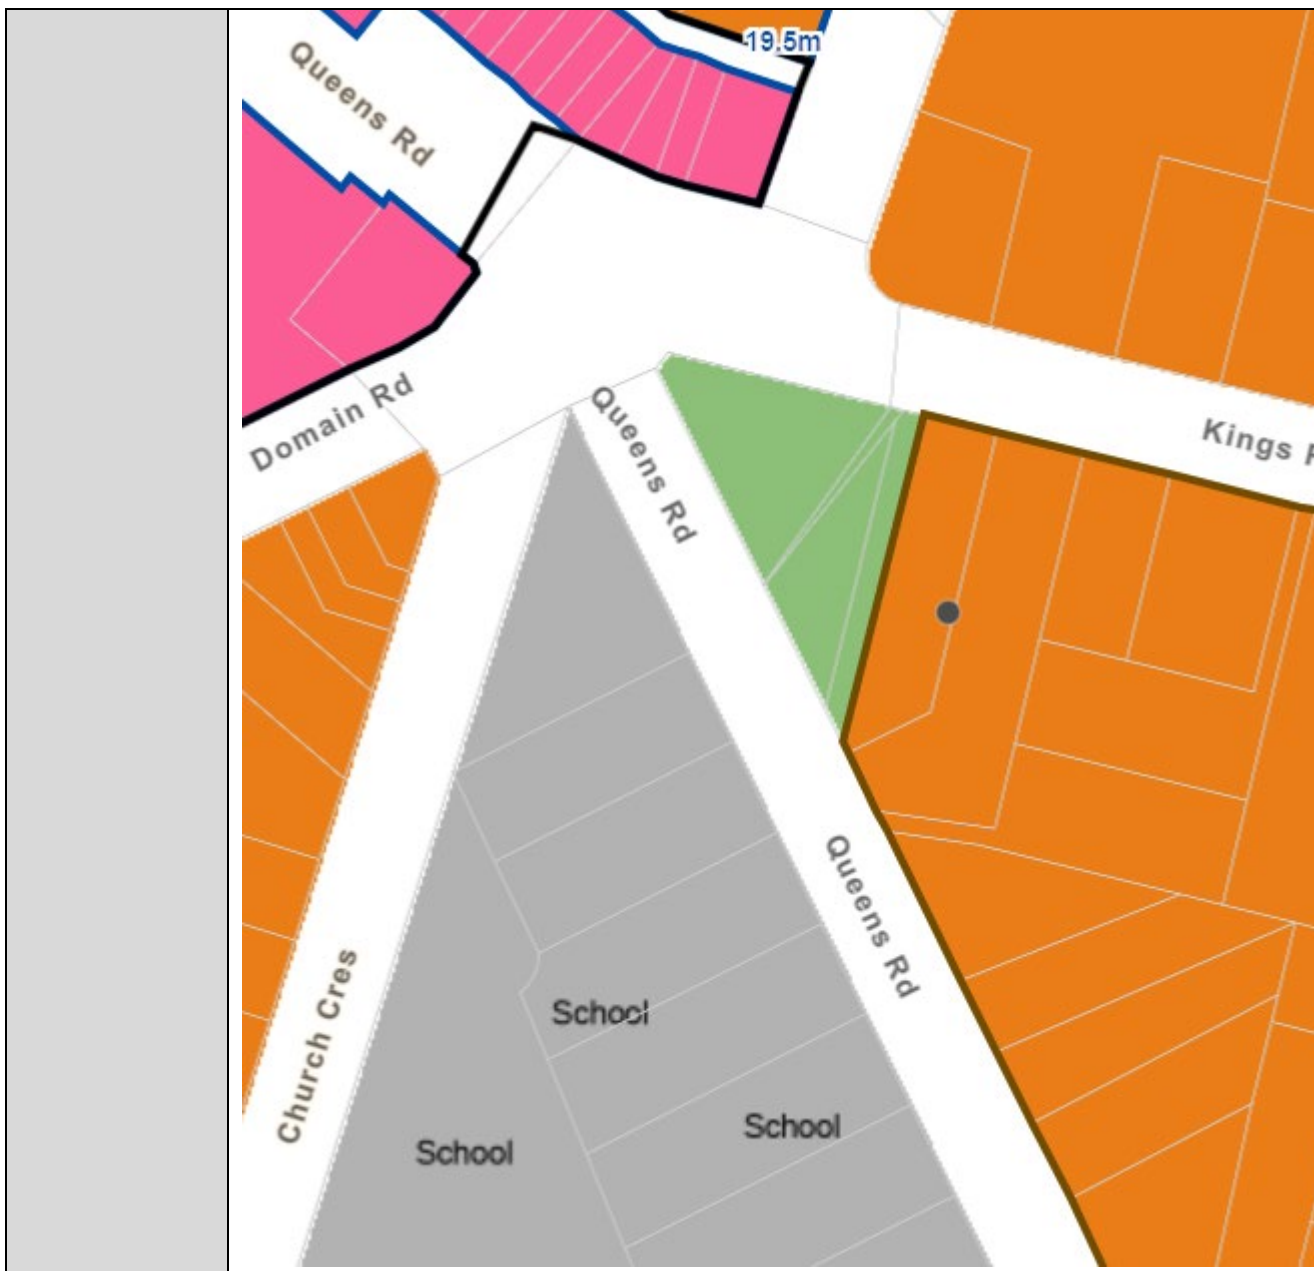

decision was released on 15 January 2021 . There were no appeals.

Auckland Council is the owner of both 1 and Part 3 Kings Road, Panmure.

New Cadastral Boundary for 3 Kings Road, Showing the Misalignment of the Boundary Between Open Space and Mixed Housing Urban Zones

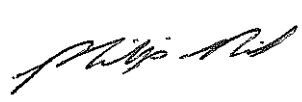

The proposed zoning under the IPI Plan Change (PC78) is THAB, as shown on the map below. The sliver of open space zone on the western edge of the carpark therefore needs to be also zoned THAB.

| <p>Effect of change</p> | <p>The effect of the Clause 16(2) change is to move the boundary of the THAB zone (proposed under the IPI Plan Change) approximately 5m to the west so that it coincides with the cadastral boundary.</p> <p>As Auckland Council owns both 1 and Part 3 Kings Road, and the strip of land requiring rezoning relates to an area of parking (the rezoning of which has been approved by the hearing commissioners), the effect is neutral / it is a change that would not be something that anyone would reasonably seek to submit on.</p> |
