3738	Birkenhead Residents Association	Oppose in Part	5280-1	The New Zealand Institute of Architects	General	Chapter G General provisions	G2.4 Notification	Amend activity statuses to acknowledge that as the city intensifies a rules based system should give way to a more discretionary system. This should be implemented (i) by requiring a resource consent for more development proposals with a discretionary design review to be the norm for a greater proportion of developments; and (ii) by making more applications non-notified under the RMA and introducing a simpler, cheaper and less confrontational means of community consultation process outside the RMA framework.

3738	Birkenhead Residents Association	Oppose in Part	5280-9	The New Zealand Institute of Architects	Infrastructure	C1.1 Infrastructure background, objectives and policies		Remove the constraints placed on the PAUP by lack of infrastructure.
