

# Rawene Road Update

Monday 23 December 2019

<b>Carpark</b>	<p>The new carpark is open.</p> <p>The stairs from the new carpark to the lane above have been installed but due to building consent requirements we haven't been able to make them available for use yet. Please continue to use the ramp as a pedestrian accessway if you park in the new carpark and be aware of cars if you are walking, and pedestrians if you are driving.</p> <p>CLL (our contractor) intend to do some minor works tidying up the car park entrance from the 13th January 2020 onwards. Permanent fencing around the car park will also be installed shortly.</p> <p>Reminder: Auckland Transport (AT) will be monitoring parking times once the car park is formally open and will make any changes if required. If you have any feedback on the carpark restrictions or use please send your comments to Auckland Transport using this email address: <a href="mailto:parkingconsultation@at.govt.nz">parkingconsultation@at.govt.nz</a></p> <p>The Auckland Transport Contact Centre is also available on 09 355 3553</p>
<b>Web Cam</b>	<p>As the construction is now essentially complete we have removed the webcam from its location. We believe this has been of great value and we will have a time lapse video of the construction ready for viewing soon.</p>
<b>Construction site</b>	<p>As mentioned above, things are still new and there needs to be a certain amount of care and consideration for other users in cars and on foot. The land below the new carpark, down into the gully, is still a construction site. Activity on site in this area will continue (tidying) and there will be no public access beyond the boundary of the new carpark.</p>
